

CIRCLE TRACK BRAKES

F88 Forged Aluminum Calipers

NEW

Offers the stopping power racers demand!

Billet pistons feature hard coat anodizing for wear resistance & long life

Extreme duty steel bridge bolts add 10% stiffness vs. billet caliper model

7/16" speed bleeders for quick installation and easy maintenance

Mounting holes on 3-1/2" center

Internal brake fluid passages - Eliminates cross-over lines

| DESCRIPTION | ROTOR WIDTH | PISTON DIA. | PART # | PRICE |

Leading Racers Love The F88 Billet Caliper...

"I don't have to use the brakes as much because the car stops better. I would not have been able to miss two wrecks without the AFCO brake package!" - Randy Korte
